

EDUCATION

IN REDDITCH

***Taken from the Index
of Newspaper Documents
(1836 – 2014)***

This Document.....

We have been researching the history of Redditch as reported in newspapers as events happened. We have collected together over 15,000 clips of such events and these have been organised into about 200 categories. Each of these documents reports the newspaper clips for that category in chronological sequence. At the start of each document is an index to the contents of that document.

*This document represents the index for the "**Education**" document which gives an overall view of education in Redditch through the years 1836 – 2014.*

These documents have been created to enable those interested in researching, or just reading about Redditch history, an opportunity to see what topics have been included in the detailed documents, which, for copyright reasons, cannot be put on-line.

The detailed documents are accessible off-line at shows, exhibitions and other events organised by the Redditch Local History Society.
