

***REDDITCH  
CEMETERIES***

***WAR CASUALTIES  
WW1 & WW2***

***Taken from the Index  
of Newspaper Documents***

## **This Document.....**

*We have been researching the history of Redditch as reported in newspapers as events happened. We have collected together over 15,000 clips of such events and these have been organised into about 200 categories. Each of these documents reports the newspaper clips for that category in chronological sequence. At the start of each document is an index to the contents of that document.*

*This document represents the index for the “**Redditch Cemeteries**” documents which gives an index of names of all those casualties buried in Redditch from WW1 & WW2.*

*These documents have been created to enable those interested in researching, or just reading about Redditch history, an opportunity to see what topics have been included in the detailed documents, which, for copyright reasons, cannot be put on-line.*

*The detailed documents are accessible off-line at shows, exhibitions and other events organised by the Redditch Local History Society.*
